

Bring the power of Real Colors[®]
to others...

with Real Colors
Facilitator Training.

Real Colors[®]

Add Real Colors to your toolbox!

Over a million people have experienced how Real Colors creates a dynamic impact on any type of setting, and opens the door to a whole new world of understanding of one's self and others. Becoming a Real Colors certified facilitator allows you to bring this experience and understanding to others.

As a Real Colors facilitator, you will have the ability to purchase and deliver the Real Colors Personality Instrument, as well as our Advanced Training Modules that have been specifically designed to address the everyday issues that affect most organizations.

Using Real Colors in your business or organization

Becoming a Real Colors Certified Facilitator can enhance your training department programs and help achieve new levels of success for all in your organization. The Real Colors Facilitator Training Workshop, which utilizes the powerful Real Colors Personality Instrument, will teach you how to successfully present Real Colors workshops to employees, leaders, managers and supervisors.

Our proprietary Real Colors instrument can help organizations deal with departmental and generational divisions by helping people find common ground in communication and personality styles. Introducing Real Colors is a stepping stone to enhancing company culture, increasing productivity, reducing conflicts, and increasing employee engagement and longevity.

Using Real Colors with your clients

Real Colors will become a powerful tool in your toolbox to offer your clients. Consultants who offer Real Colors say that it is a highly requested workshop, as it is fun, fast-paced, interactive and highly applicable.

Using Real Colors in educational settings

For those in an educational settings, you will be taught the power of using Real Colors with volunteers, teachers, school counselors, students, parents, and others! Real Colors also:

- Enhances learning experiences for students/participants.
- Creates learning environments where all participants are engaged and productive.
- Allows you to become a more effective teacher, trainer, employee, supervisor, career counselor, etc. by using the power of the Real Colors tools and techniques.

*Advanced Training:
Real Solutions,
Real Teams,
Real Applications,
and Real Leadership.*

Using this powerful knowledge, your participants will develop more effective communication skills and build better relationships, in and out of the workplace.
